Dear Student,

I'm writing with good news. Knox College has received \$664,035 as part of the federal Coronavirus Response and Relief Supplemental Appropriations Act (CRRSAA) to support students who have demonstrated need and are facing significant financial challenges due to the ongoing COVID-19 pandemic. To receive these funds, please complete this [form](#).

These Emergency Financial Aid Grants are being provided to federal financial aid applicants with the highest levels of demonstrated financial need. You can expect a payment ranging from \$700 to \$1,400. Students with higher financial need, including Pell Grant recipients, will receive the larger payments.

You are one of the students scheduled to receive an Emergency Financial Aid Grant. Please complete this [form](#) by March 15th to share how you'd like to receive the funds.

You have the option of applying the funds to your Knox Student Account for current/ future balances or you may receive the payments via direct deposit to the bank account on file with the college. We have your bank account information on file; however, if you would like to update this information, please complete a new [form](#) and upload the form securely at this [link](#).

More information about the CRRSAA and the Emergency Financial Aid Grants is available [here](#). We plan to distribute the Emergency Financial Aid Grant funds on March 19th.

I hope your winter term is going well. Hopefully this additional grant assistance will be timely and helpful.

Sincerely,

Leigh Brinson  
Director of Student Financial Services

Please note: you must be logged into your Knox account in order to complete the form.
