Attendees received passports to collect stamps by visiting each chapter, learning about their values, and asking questions about membership. Once completed, participants earned a prize! Held on October 30th in the Lincoln-Skylight Rooms, the event highlighted the welcoming and vibrant FSL community at Knox as we enter recruitment this winter.

FSL End-of-Term Event

The FSL End-of-Term Event on November 11th was a wonderful evening of creativity, gratitude, and community! Participants designed their own set of letters, made by a local seamstress, wrote heartfelt notes of appreciation for Knox faculty and staff, and shared meaningful dishes during the DEI-themed potluck. From crafting to celebrating the contributions of our campus, the event showcased the spirit of connection and inclusivity that defines Fraternity and Sorority Life.

- Gamma Deuteron Chapter ran another successful pig dinner over this year's homecoming weekend, which started in 1896. This event is a chance for brothers young and old to celebrate brotherhood.
- Hosted two brotherhood events within the chapter. Alumni brother John Pritchard gave the members a lesson on local politics and how to vote in local elections, and the members took part in a health and wellness workshop to work on being physically fit and healthy.
