

Non-Traditional RECYCLING AT KNOX

Knox belongs to many Terracycle recycling brigades, which offer a means for recycling a number of non-traditional items that you can't recycle in the traditional recycling stream. These brigades can change throughout the year, so please note the signs on collection bins or check knox.edu/recycling for up-to-date information.

Personal Care Product Packaging

Including hair care, skin care, and cosmetic product packaging, mouthwash bottles and caps, deodorant containers and caps, toothpaste tubes and caps, soap packaging, floss containers, and toothbrushes and their outer packaging.

Brita and Pur

Including all pitchers, dispensers, bottles, faucet systems, all filters, and filter packaging.

Foil-lined Wrappers

Including granola bars, chips, and more.

Air Fresheners and Spray Heads

Solo Cups (#6 plastic cups)

Razors and Associated Packaging

Packing material - bubble wrap, air bags, and packing peanuts.

Where: Designated bins in the mail room
Reusable packing materials are collected in the mail room, so that other members of the Knox community can use them. Feel free to help yourself to what you find in the collection bins!

Clothing and Textiles

Where: Share Shop during open hours (Thurs, Fri, Sat - 4 - 6:30 pm). Worn, satined, and damaged textiles are brought to a textile recycling company.

Collection bins located in most of the campus buildings, such as the Library lobby and basement of Alumni Hall.

Batteries - Alkaline, button, and Rechargeable

Inkjet and Toner Cartridges

Old Media - CDs, DVDs, VHS, Floppy Disks, etc.

Small Electronics - Mobile Phones, Headphones, etc.

If in doubt, contact the office of sustainability at sustainability@knox.edu
For more information visit www.knox.edu/recycling

Non-Traditional Recycling Locations

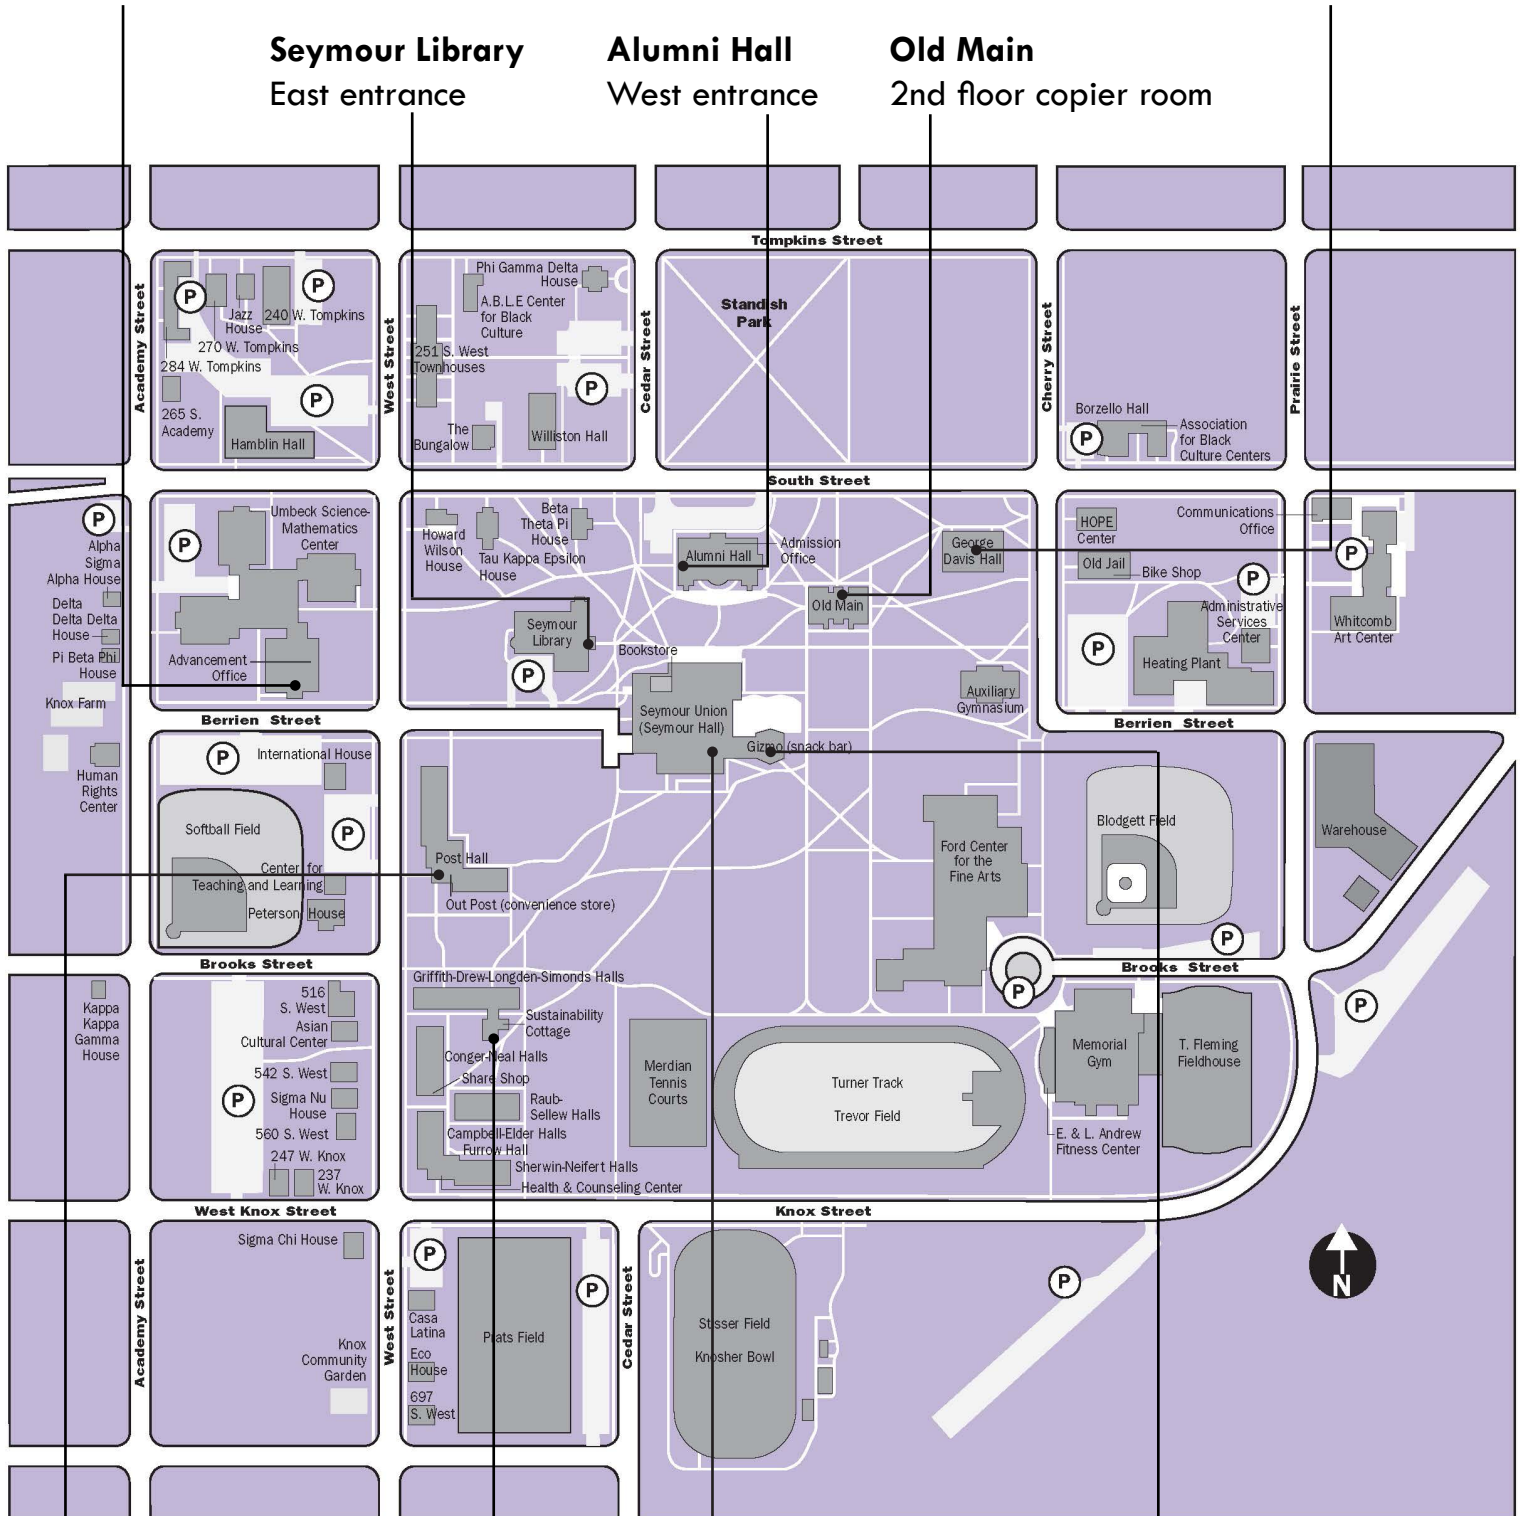

Public locations are indicated below. Many residence halls and houses also have collection bins. Ask your RA or contact [sustainability@knox.edu/30-341-7357](mailto:sustainability@knox.edu) for more information.
