

#TalkAboutItTUESDAY

How does upbringing influence sexual citizenship?

Cut out and fold the 'cootie catcher' below as a sexual citizenship conversation starter!

| | | | |
|---|--|---|-------------|
| Sexual | 7 Did you get the sex talk? Who taught it to you and what was the message you received? | 8 What do you consider as significant sexual experiences in your life so far? | Citizenship |
| 6 When was the first time you heard about sex? How did the other person or people respond to the conversation? | 1 Did your family allow your partners to spend the night? To leave the door closed in your room? To be in your room at all? | 2 Did your family talk about sex? How did they talk about it? What did they say? | Your |
| 5 Were you given an impression of "normal sexual behavior"? What did that entail? | 4 Was there anything you found hard to ask or talk about? How did other people respond to that? | 3 What do you think affected your understanding of your sexual citizenship the most? | |
| Upbringing | | | |
