

**48% of adults
18-29 have used
an online
dating site**

**60% of online
daters said
they had a
somewhat or
very positive
experience**

**55% of LGB
folks have used
a dating app**

**Data from Pew Research
Center**

Online Dating

How can we keep ourselves and those around us safe?

**Tinder recommends
protecting personal
information, such as
financial information
and social security
numbers**

**When sharing explicit
messages, pictures, etc.,
ask for consent!**

**Don't share your
partner's explicit
messages, pictures, etc.,
without asking!**

**Communicate and
respect boundaries!**

**Strategies to help you
stay safe:**

- **Get to know someone
before meeting in
person**
- **Meet in public**
- **Tell family or friends
about your plans**
- **Be in control of your
transportation**
- **Keep an eye on
drinks/personal
items**
- **It's okay to leave if
you feel
uncomfortable!**
